

## **PRESS RELEASE**

### **DISMISAL OF MS HELLEN BULUMA FROM NOCMA**

The Ministry of Information and Digitalisation would like to inform the public that the Malawi Government relieved Ms. Hellen Buluma of her duties as acting Chief Executive Officer for NOCMA. This was in line with the expectations of the public and determination of the office of the Ombudsman.

Her letter of resignation which she is circulating over social media platforms has come after this relief from her responsibilities and has never been submitted to the office of the President and Cabinet. This is misleading and should be treated with the contempt it deserves.
